

SD BW AT BLOAH

San Diego Beer Week promotes San Diego's thriving craft beer culture by sponsoring a ten-day countywide festival that attracts beer tourism, fosters knowledge of our regional brewing heritage, and serves as a showcase for San Diego's breweries, restaurants, pubs, and other businesses with ties to the craft beer community.

San Diego Beer Week is sponsored by the San Diego Brewers Guild, a non-profit whose mission is to promote awareness and increase the visibility of fresh, locally brewed beer through education and participation in community events.
